## TRINITY RELATIONSHIPS & SEXUALITY

Time: 7pm start

Shiloh Hills Christian Retreat,

# The Conversation Continues...

“How do I manage my friends, my relationships and my sexuality today? Right now?”

“What is a man?”

“What is a woman?”

“Am I alone in my struggles and confusion?”

“There are so many conflicting messages: Suppress; Be free; Take care; Explore; Die; Live;... is there a way through?”

Our greatest joys and our greatest pains occur in relationship.

After three great weeks of discussions earlier this year, we have decided that this discussion is something that needs to continue.

So, are **you** free for a weekend????

Please invite others to come along and join in the conversation!
